Along with the state of Louisiana, New Orleans has played an important role in the history of the United States, a role more significant in this Bicentennial year. In the Cabildo, once the location of the Spanish governments during their rule, the Louisiana Purchase was signed. Adjoining the Cabildo is St. Louis Cathedral, the oldest church in the U.S. It stands as a symbol of religious history in America.

TOP: Jackson Square, St. Louis Cathedral. MIDDLE, LEFT: The Cathedral. RIGHT: Flying from the Cabildo balcony: Louisiana State flag, United States flag, the Bicentennial flag. RIGHT: General Jackson.

THE BATTLE OF NEW ORLEANS

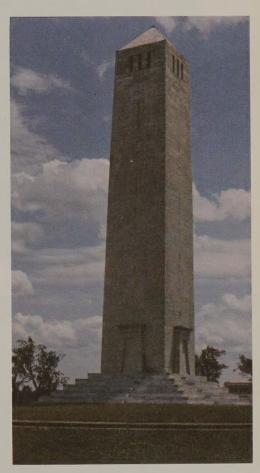

COUNTY CONTROL OF NEW ORLEANS

LOU ANS LENS

Here, during the War of 1812 a decisive battle was fought on January 8, 1815, for the city of New Orleans. Andrew Juckson led the motley and hastily assembled defenders against General Pakenham's well drilled British regulars. The invaders, affacking in formation across the open fields in front of you, were cut down and routed by the Americans sheltered behind an earth and log barricade.

The battlefield at Chalmette, just outside the city, is now a National landmark. What would have been the result had General Jackson not repulsed General Pakenham? The Battle of New Orleans helped preserve the young United States and secured the fame of Andrew Jackson.

TOP: The battle line as shown on the marker, CENTER, LEFT. ABOVE: The obelisk commemorating the battle. LEFT: Another portion of the battle line.

The citizens of New Orleans helped preserve the Union in 1812; however, when the Civil War was fought, the city stood for the dissolving of the states.

Two particular monuments stand in the city honoring General Robert E. Lee, who stands facing the North, and General P.G.T. Beauregard, who lived in the Quarter, on Chartres street.

But as long as New Orleans has existed, its men and women have played a significant part in the history of our United States, individually, or united with countless others. The Bicentennial has a special meaning for the Crescent City.

Rather than dwelling on the military aspect of New Orleans' contribution to the U.S., consider the role of the great Mississippi River and the magnificent paddlewheel boats that linked the port to the interior of a developing young country.

Student Senate Replaces Council

Co-moderated by Brother Oscar and Brother Ray, the 1975-76 DLS Student Senate was derived from the service concept of the traditional Student Council. Except for the government aspect of the Student Council, the Senate was basically the same as the Council. Ideas became realities in the following manner: The process began with the student suggesting in homeroom his point regarding an issue or activity. From the homeroom the idea reached a level senator through a moderator and was either accepted or rejected by the Senate which in turn forwarded it to the principal who either permitted it to be activated or rejected it. The Senate was extremely helpful in advising Brother Oscar, Assistant Principal in charge of Student Activities.

Fair Successful

The Fall Fair, held on October 19 was extremely successful, netting a profit of \$27,280.20. The DLS Community of parents, faculty and students working together accounted for the Fair's success. jects of the club were: helping build Fall Fair booths, participating in the Rocker-Thon for retarded children, helping in the Thanksgiving food drive for the needy, assisting the Kiwanis Club in selling cakes at Thanksgiving and selling tickets to the Jazz game for Kiwanis night, attending to the bulletin board in the student lobby, polishing the trophy cases and trophies, setting up tables for the Science Fair and doing the same for the Father-Son Banquet. Soccer Squad Places Second

The De La Salle soccer team, in its third year of existence, finished second in the Catholic District bringing last year's record of 3-4-1 up to a winning 9-3-2. Mr. Mueller's team narrowly missed the state playoffs. In three games against rival Rummel, the Cavaliers won two games and tied one. Should the team continue its tradition of moving up one place in the standings each year, De La Salle can expect to have a soccer cham-

pionship in 1977.

Cagers End Pre-District 15-2

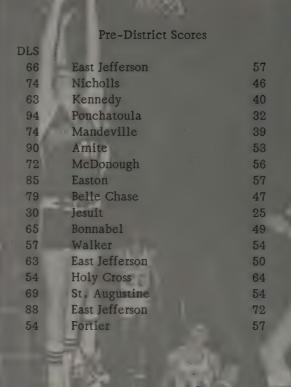

Picked to place second in the always tough District 11-AAAA, the DLS basketball team, directed by Coach Duane Reboul, finished their pre-district competition with a strong 15-2 showing. The Cavs suffered a disappointment when they relinquished their CYO crown to Holy Cross. This made the squad more determined than ever to go after the Tigers once district competition began. Wrestlers Post Winning Season

Under the guidance of head coach Mr. Paul Katz, assistant coach L. McArdle and Mr. Warren Caire, the De La Salle grapplers posted an impressive 13 wins and 3 losses record to place second in the city. This fine showing against tough competition gave the squad hopes of placing high in city and state championships.

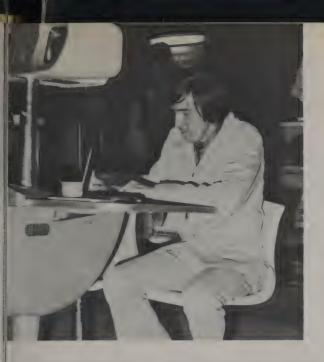

Bowlers Near Top

Last year Mr. Richard's bowling team won the City championship. Playing under new handicap rules, the Cavs were affected because they had to give up pins to make matches even. Nevertheless the team season record was 51-39 over a thirty week span, and the bowlers finished only five games out of first place. High games and series rolled were: Paul Champagne, 219-595 series, Bud Mullen, 222, 238 - 609 series and Randy Ferrara, 234, 227. Paul Champagne bowled in the State tournament and won first place. Musicians Remain Excellent and Superior

Amassing an impressive record has become a tradition with the DLS music department under the direction of Mr. George Marks and his assistant Mr. John DiFatta. As has been noted, the Marching Band performed at sports events and also marched in Mardi Gras parades. This band received a Superior rating in the Gulfport East Marching Festival. Cavalier representation in the All-State and All-District bands was the best ever. Eric Pizza, Wynton Marsalis and Branford Marsalis played in the All-State Band. Jim Touchy, Bill Thibault, David Dufour, David Vitter, John Touchy and Jerry Knight were selected for the All-District band. The first semester activities closed with the combined concert with Dominican High School. In the Solo and Ensemble Festival more than sixty percent of the events entered by DLS resulted in Superior ratings. The Jazz groups had an outstanding year; in the District VIII Jazz Festival in Thibodaux, the Stage Band, Guitar Ensemble, Jazz Ensemble and Jazz Combo received Superiors. The Jazz Ensemble and Jazz Combo groups were judged Outstanding Groups at the Festival. At the Loyola Jazz Festival the Jazz Combo and the Jazz Ensemble both received Superiors; the Stage Band and the Guitar Ensemble received Excellent ratings. The LMEA Band Festival was the occasion for the Concert Band and Symphonic Band to receive Excellent ratings for outstanding performances. The Spring Concert ended the year with all Concert and Jazz groups performing. At the band banquet the 1976 officers, President M. Kern, VPS. Blum, Treasurer J. Nielson, and Drum Majors M. Boucree and R. Wetzel, were cited for their

work throughout the year. W. Marsalis was presented Outstanding Freshman Award; R. Wetzel was given the Outstanding Overall Bandsman Award. A band era came to an end at DLS as Mr. Marks said good bye in anticipation of his new job at Mullen Prep School in Denver. A new era was ushered in as Mr. John DiFatta was announced new Director of Bands.

Ortiz Named All-District, All-Metro

Although the baseball team failed to reach the District playoffs, there were bright spots in the season. Mario Ortiz, who led the Cavs with a .300 batting average, was named to the All-District and All-Metro teams. Bruce O'Krepki led the pitchers with a 4-0 record; David Burch, a starter and relief pitcher had a 4-4 record.

Young Cavs Mature

Despite a late start because of basketball, and inexperience, and JV team had a strong second round avenging an early 14-0 loss to Jesuit with a 9-7 victory.

But with the dedication of the coaches and the team, the unexpected was accomplished. On April 24 DLS won the State swimming championship with the 400 yard Freestyle relay team establishing a State record. Epilogue

In the 1976 edition of the Maroon Legend, this copy, we do not have pages for the yearbook and photography staff because none existed in the literal sense.

Throughout the year various students joined in the work of putting this yearbook together; however, no one who began was present for the completion of this work, and several joined near the end.

Some students helped for a week, others a month, a few a little longer. What is important though is that the Maroon Legend was completed because of team work and individual effort.

At one time or another the following students helped, either with photography or in the yearbook room:

K. Cangelosi, E. Carter, J. Exnicios, B. Joffrion, B. Kohlmann, T. McCann, A. Mancuso, B. Pequet, J. Rayers, S. Exnicios, D. Stephens, S. Murphy, M. Champagne, R. Welty, R. Schulze, J. Wellman, J. Plank and R. Tufts.

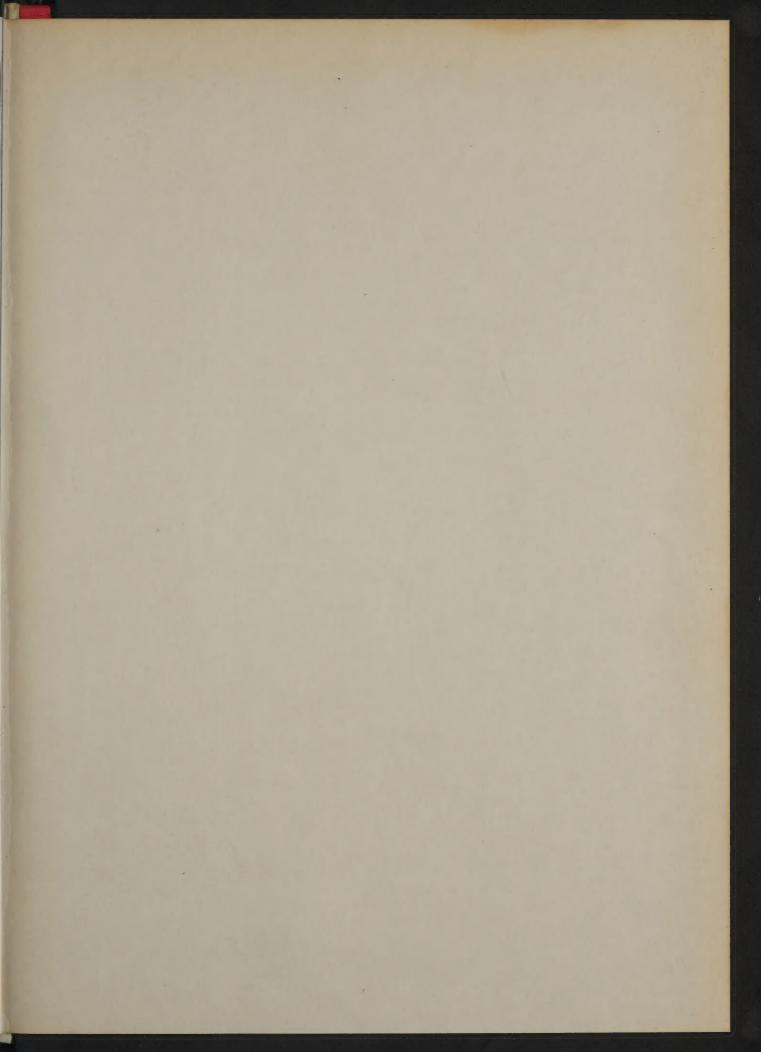

I would like to express sincere thanks to Mr. Paul Palermo of Tipery Studio for his help and advice which was often needed and always available.

Mr. Fred Elsing, Jr., the Taylor Company representative was also helpful to me and willing to give advice when it was needed.

It is my wish that in years to come this yearbook will provide fond memories for those whose lives crossed paths with the Maroon Legend in the Bicentennial year - 1976.
